My dear Sister,

With heaven I take my time this morning to address you with my pen and tell you my mind is free to you as it was to your father. That is Christian affection which to understand nothing of. Though the Lord has separated us a while in this world, yet we can no more behold each other in our flesh and participate our feelings together as we used. But why should we murmur for absent separation? Do we not feel willing to part with all our earthly friends and suffer most any thing in this world for the sake of doing good to the poor suffering souls who are yet ignorant about the salvation? O dear sister, have you not at early experienced the trials of this world. You can not tell how painful it was to me when I heard that you had been sick and that you had no one to help you but my poor brother. Tell O my dear brother and sister do you not rejoice that you are earthly worthy to suffer for Christ? The wrong you are all things will work together for good to those that love him: and put these whole trust in him. And O my dear sister, forever let us not neglect our duty even year old and careless when we were together. Now we feel sorry, but the Lord will forgive us. Still dear sister we can pray for each other. Don't you think our prayers often meet at the same time at the Throne of grace our Heavenly Father will grant all our request yes he will direct you for Jesus his dear ones sake. O then let us pray on and never cease to pray for each other while he bends his breath but when in heaven we meet shall we see him whom our soul longs for.
must be long since before we shall meet in our Father's House to go no
more out. Dear brother and sister do not forget me and pray for you
dear sister L she will never forget you. O let us rejoice continually in praise
the Lord for what He is doing among His people. Lord has given us another
dear brother in Christ. My dear brother Davie is now rejoicing in His blest
Redeemer He has a great desire to do good among our people. I expect he will
leave us in 2 or 3 weeks for Conwell to Study divinity and begin to preach
the Gospel of Jesus Christ. I do hope and pray the Lord will guide and
enable him to do much good in the world. Brother Davie and myself
spent 1 week with our dear parents returned back to school last week.
I hope to continue in school some time longer but know not how long.
My dear brother feels that she cannot stay much longer in school
I don't know but my parents will come after me next Fall
Therefore I wish to learn as I can before I return.
And now dear sister may we both be faithful to our Lord and do much
in the world. And when time shall be no more with us in this
world may we be permitted to meet in yonder world where Christians
are collected to sing the praises of Jesus and the Lamb
through all eternity. From your sincere brother in Christ C B
